Dear Friend of Fruitport Athletics,

At Fruitport High School, we would like to offer an opportunity for your business to advertise by placing a banner in our gymnasium/and or stadium, field, and sports web pages. We believe this opportunity would be a great way to advertise your business/organization to the many visitors from area schools and communities-reaching more people than through taking out an ad in the traditional home game program. We are working with local printers to produce a quality sign at a competitive price.

In addition, continuing this fall we are offering internet ads on our athletics website where schedules, game directions, varsity news, game summaries, and photos are posted. Advertising costs per school season are given in the enclosed price sheet. On the very last page there is information if you choose to simply place a regular program ad only.

Each season we sponsor over 250 home events school-wide. Besides the usual school sports such as volleyball, basketball, and wrestling, our gymnasium is also used for community events such as youth basketball, concerts, and dances. We are offering limited space to hang a banner along the gym's east wall. In order to create uniformity, banner size shall be three feet by five feet. Also, there is the opportunity to advertise at our outdoor venues for football and soccer in the fall, and for track and field, baseball, softball, and soccer in the spring. These banners may be either 3 x 5 or 3 x 8 sizes.

Revenue from the advertising program will help purchase training equipment, assist in facility improvements, support the student athlete leadership team, support special projects, and create a fund for assisting families who are unable to pay the annual participation fees.

If you are interested in taking advantage of any advertising opportunities for the 2023-24 school year, please review the enclosed material and contact our Athletic Department at 865-4034. Thank you for your consideration and feel free to contact me if you have any questions.

Sincerely,

Jonny Morehouse

Banner Requirements

Advertisers agree to show support for the greater athletic program by displaying a company logo/ad on a banner at an athletic event.

Banners must be purchased by the advertiser.

Banner design/logo must be submitted in digital form.

Especially for outdoor banners, large print letters (20+ inches) are recommended on mesh fabric

Gym banners are 3 x 5 only, a maximum of 10 banners sold per season. We recommend a plastic or corrugated board for indoor hanging to avoid the wrinkling effect of vinyl.

Banners cannot be political in nature.

All banner information must be in the best interest of educational athletics and approved by the Fruitport High School administration prior to printing.
